KECA has experienced phenomenal growth and support since we started in December of 2009. Our mission to support Conservation Education has grown into Distance Learning educational programs to get the experience of elk country in classrooms across the state. In addition, thousands of school children are experiencing educational programs at the Elk Country Visitor Center.

We have had great feedback on our past Appalachian Chapter banquets. There were outstanding prizes won including guns, fishing equipment, camping equipment, hunting accessories, and so much more! We include prizes for the kids in attendance, pay honor to our veterans and we had a pretty competitive Live Auction. We expect to have an even better selection this year!

We hope you will join us for a fun and relaxing evening to raise money for these great projects and help us continue to grow.

Please complete a separate application (attached) for each single membership or couple and if you have a group sitting together please make that notation when returning your application. Table setting is 8 per table.

Don't forget the **Early Bird 2-for-1** on the General Raffle tickets! Get your application in by **March 15th**.
